

Grand Saline Independent School District

Grand Saline Elementary School Plan of Action

2023-2024

Vision Statement

Changing the World One Student at a Time

Mission Statement

The Grand Saline Independent School District, in partnership with parents, community members and businesses, provides a safe, caring and motivational learning environment enabling all students to reach their educational, social and emotional potential. These factors empower graduates to become life-long learners, which in turn allow them to be globally competitive, successful, productive patriotic members of an ever-changing society.

The Campus Site-Based Decision-Making Committee collaboratively developed the Campus Plan of Action. In 2015, the President signed the Every Student Succeeds Act, a reauthorization of the ESEA of 1965. ESSA replaces its predecessor, the No Child Left Behind Act (2001). The 2001 National Performance Goals have been adopted by the district and are reflected in the Campus Plan of Action. The following funding sources support the objectives and strategies identified in the Campus Plan of Action: Title I, Part A; Title I, Part C; Title II, Part A; Title III; Title V; Special Education; Head Start; Gifted & Talented; State Compensatory Education; Instructional Materials Allotment (IMA); and Local.

Comprehensive Needs Assessment

The following sources provided data for the comprehensive needs assessment. An in-depth review of data led to the development of the goals, objectives, and strategies included in the Campus Plan of Action.

- Longitudinal TAPR data
- Longitudinal academic performance data for non-TAPR student groups
- TELPAS, MClass, TAIS, PBMAS, System Safeguards
- Program Evaluations
- Stakeholder Surveys
- Discipline Reports
- Formative Assessment Data
- Staffing Needs
- Professional/Paraprofessional Training Needs
- Running Records
- Norm-referenced Tests
- Promotion/Retention Rates
- Informal Evaluations

Findings:

GSES students have limited experiences, vocabulary development and fundamental skills in the areas of writing and mathematics. Many come from homes that speak other languages than English. While skills are being taught, they are not being retained and transferred into student's daily lives. GSES staff proposes to develop their vocabulary through the use of visuals and emphasize vocabulary in all core subjects. Writing will occur across the curriculum and Writing Portfolios will be used. Math progress will be assessed using unit assessments/ progress monitoring; students falling below 25th percentile will receive intervention using its corresponding program. Professional development with the ELAR, Math and ESL/LEP consultants will continue and focus on areas of need. LEP parents will be provided opportunity to participate in program to learn English. In addition, students identified with learning disabilities will receive support from the Reading and Math Interventionists when warranted.

Goal 1: GSISD will promote the academic and social success of enrolled students from PK through 12th Grade for on-time graduation and will provide an exemplary instructional program for all students that is rigorous, engaging, and fully aligned that accommodates the learning needs of at-risk students & special populations to provide the opportunity to graduate college and be career ready.

- **Objective 1:** By 2024, all students will reach high standards, at a minimum attaining passing standard or better as identified on state assessments.
- **Objective 2:** GSISD will continue to create an aligned instructional program designed to increase student performance by all student groups in all subjects increasing the number of graduates who are college and career ready.
- **Objective 3:** Include 21st century learning skills using technology instruction to engage all learners to promote student proficiency in advanced technology.

Summative Assessment: Accomplishment of objective as measured by STAAR, STAAR A, and STAAR Alt results, and Early Reading & Math Assessments.
