NOTIFICATION OF CONFIRMED COVID-19 CASE IN GSISD

September 8, 2023

Dear Parents,

In keeping with Grand Saline ISD's practices to respond to COVID-19, we are notifying all student families and community members that 2 students have tested positive for COVID-19. One student is at the elementary school and was last on campus September 6th. The other student is at the intermediate school and was last on campus September 6th. Due to privacy requirements, we will not be releasing the name of the individual or details that may identify them.

We are working closely with the local health department on this matter. Operations at the schools will continue as usual and we will keep you apprised of further updates. We ask that you, as always, to watch for symptoms of COVID-19.

Any of the following symptoms indicate a possible COVID-19 infection:

- Temperature of 100.0 degrees Fahrenheit or higher when taken by mouth;
- Sore throat;
- New uncontrolled cough that causes difficulty breathing (or, for students with a chronic allergic/asthmatic cough, a change in their cough from baseline);
- Diarrhea, vomiting, or abdominal pain; or
- New onset of severe headache, especially with a fever.

If you or any member of the Grand Saline ISD community does begin experiencing any of these symptoms in a way that is not typical, we encourage you to contact your physician.

At this time, we have had a total of 6 confirmed cases in GSISD - 0 staff members and 6 students. Active cases as of today are 0 staff members and 2 students. We have a dashboard on our website www.grandsalineisd.net so the Grand Saline community can quickly see the status of our COVID-19 situation. We will update as information changes.

If you have any questions or concerns, please reach out to us at 903-962-7546 or by email at micah.lewis@grandsalineisd.net

Sincerely,

Micah Lewis

Superintendent
