

ESSER III

Review Use of Funds

The ESSER III plan was developed in consultation with stakeholders after soliciting public comment via electronic survey, public board meeting, and district site base committee meeting.

This plan was drafted on 5/12/2021 and posted to the Grand Saline ISD website at <http://www.grandsalineisd.net/>. Grand Saline ISD will review the plan in accordance with the latest guidance from the CDC, state, and local governments. If revisions are needed to the plan, public input will be solicited and stakeholders will be meaningfully consulted. The revised version of the plan will then be posted on the website.

1. Develop and implement procedures and systems to improve the preparedness and response efforts of GSISD with HVAC upgrades.
2. Recruit, support, and retain effective teachers, principals, and staff.
3. Payroll for added positions to assist with prevention, preparedness, and respond to coronavirus.
4. Improve school conditions for student learning with smaller class size.
5. Improve the use of technology through equipment upgrades to enhance classroom instruction, academic outcomes, and digital literacy of students.
