Students will be provided a Chromebook. Our textbook and most assignments will be found online. Please help your child be successful by providing the appropriate supplies along with a charged Chromebook daily. Headphones (not airpods) will also be necessary for some assignments on their Chromebook. The school will provide most of our classroom supplies, occasionally we will need project materials. I will send home a REMIND and also a letter detailing the requirements and expectations.

If you have any questions, please feel free to email me or send a message on REMIND.

I will get back to you as soon as possible!
